## NOTES

Rents shown are before a \$25 discount for prompt payment, i.e., by the 5<sup>th</sup> of the month.

Rent includes heat and electricity (with caps). 'With caps' mean that if fuel or electrical prices skyrocket, some of the overage can be collected from tenants. Free laundry, off-street parking, plowing, water & sewer, trash/recycle pick-up, and plenty of garden space are also included.

Colors are not accurate (tough to photo shop). Walls (dry walls, not the wood paneling) are antique white, off-white toward the warmer colors.

No smoking on premises. Pets allowed. Application, references, security deposit, and lease are required. Security deposit is placed in CD agent-based bank account in your name.
