#3 26 Nov 2020 Ralph

Here it is Ralph's turn. Whenever he visits us in Vermont, everyone here is excited to see him. He and I usually get in some skiing together, and sometimes Wendy Shaun, Jamie, and Val can join us, which makes for an especially great time. Food flows copiously and gourmetly, Wendy and Shaun host most of that. We keep hoping Ray will make the visit to Vermont soon. Others are welcome to visit when Covid permits. Skiing with Shaun has become our tradition, and is especially happy when Shaun, Wendy, Val, & Jamie join us. If I ski alone, I miss them, but 6" fresh powder will get me out there. We telemark as well.
